## Master's Message

The Masonic year is winding down. Where did it go? I certainly was not able to accomplish everything I had planned or hoped to do. However, at the beginning of the year, I said I would call the year a success if we made some new brothers and brought back a few we haven't seen in a while. We have done both! So to that end I am satisfied.

The next two months are busy, not only do we have the holidays and the time of year we like to spend with our family, but we are also busy in lodge. Our Most Worshipful Grand Master is stressing "Family Friendly Masonry" this year. The wise Mason knows the balance of family, lodge and the other demands of life. Pushing too hard in anyone one area, even one you love will burn out any one, especially in the season those of us in the retail world call "4th quarter."

Please take a look at the events listed in the calendar below and join your brothers when you can. I call your attention to the York Rite event. Whether interested in seeking additional Masonic light in that body or just interested in learning more about the Rite, I do encourage attendance (if you can of course!)
