Master's Message

I feel very proud to serve this lodge as Worshipful Master for this Masonic Year. I feel that as a lodge we are truly blessed. We have a beautiful lodge room and our finances are stable compared to most lodges. We have hard working, diversely intelligent and active members with a great collective potential. I really believe that we can do some great Masonic things this year collectively as a Lodge, as a team.

Let's set this year off on the right course and have the largest attendance we've had in long time at a regular lodge meeting. If you have read this, I am asking you to be present at the first meeting this month. This year I plan to try some new ideas and I will be speaking about this at the first meeting. I would like all the input and help that our lodge can receive. That starts with making the time and attending meetings when it is possible. If you need a ride, I will be happy to give you one or arrange a ride from another Brother. So let us start this year off on the right path, make the time and be Great Masons.

Also, Brother Jason Tidd still needs volunteers to help deliver flowers to the widows of our Lodge. If you haven't participated in this before I strongly urge you to. Not only is it part of our obligation but it is very rewarding and the widows sincerely appreciate it. Please contact Jason if you can help.

Wishing You a Happy New Year,

Jake Seever
