

Wausau Trestleboard

Master's Message

March is upon us, and that means warmer weather and since we live in Wisconsin Mother Nature will throw one more foot of snow our way before we are allowed to have nice weather. For me March means my wife and I patiently wait for our son to be born, we are both excited and prepared as much as possible for him to arrive. Many friends and family have been very helpful during the pregnancy offering advice and plenty of free hand me downs which is always welcome. That brings me to the third point of the Boy Scout law is "helpful". When I think of being helpful in freemasonry it is hard to pin point one example to talk about because I have experienced and heard of so many examples I could go on forever. Helping people and helping each other is what we do, it is who we are. When I asked for help when me and my wife moved to our current house I had over a dozen Masonic brothers or family of masons show up in moving day and we had everything moved in hours. A wise man once told me "never look down on a man unless you are extending a hand to pull him up" in Boy Scouts we are told to "do a good turn daily". That is one of the infinite reasons I love Freemasonry, when you ask for help your brothers are the first ones to volunteer and the last ones to call it quits. I hope everyone has a great March. Our next social lodge event is on the third Sunday in March on the 21st at 3:30 pm we will be going to Blades and Boards in Rib Mountain for an axe throwing get together. I have a sign up sheet at the lodge if you are interested feel free to sign up next time you are at lodge, or feel free to contact me and I can sign you up.

A Worthy Tradition

During World War II, Most Worshipful Brother and President Harry S Truman made a national appeal, asking each one of his brother Masons to support the work of the Masonic Service Association (MSA) Hospital Visitation Program. That appeal helped MSA expand its program to VA Medical Centers and State Veterans Homes across the country. Our Masonic volunteers have given attention and support to injured and aging veterans who returned from World War II, as well as those who fought for freedom in Korea, Vietnam, and the continuing conflicts in the Middle East. Brother Truman's request is as relevant today as it was in the 1940's. Our brave veterans and the dedicated Masons who provide these services need your support in this continuing display of brotherly love. Donations can be sent to:
