Worshipful Master's Message

Brothers, I greet you from the East!

Time “marches” on and we find ourselves in the month of March. We are now knee deep into the year. The days are getting longer, the temperatures are starting to increase, and before we know it, we will be able to see green grass again! May the warmth of the Spring be emblematic of the warmth that the Fraternity brings to each of us.

Since I last greeted you, we have had five Brothers raised to the sublime degree of Master Mason. Congratulations to John Altenburgh, Kelly Coyle, Jon Eberhardt, James Weeks and Jeff White! These brothers were candidates at a Masonic Day of Light event held at the Eau Claire Masonic Center on February 4th. Again – Congratulations are in order for all of you! I’m excited to see where your Masonic path leads you.

I am also pleased to say that Forest #130 was also well represented that day by being the Lodge called upon to confer the Master Mason degree during the Day of Light. I thought that the hard work that all of you put into your parts and other lodges got to see what degree work in our Lodge is all about. Excellent work everyone!

During the past month, we had a demonstration of opening and closing a Lodge in the Master Mason degree as practiced in the state of Michigan. I hope you all enjoyed taking part, and seeing what Masonic ritual is like outside of, not only our Lodge, but our state. In sharing that with you, it reminded me that, while there may be some things that are different, we all meet on the level, act by the plumb, and part upon the square. May we carry that forward outside of lodge as we make our way through the world.

See you at Lodge!

Sincerely and Fraternaly,

Lars Framness
