# Wausau Trestleboard

May 2014

---

My brothers,

It's May, but you wouldn't know it by stepping outside. Yet our calendar marches on. We have two Master Mason Degrees to confer as well as our annual highway cleanup. This work must be completed before the annual Grand Lodge Communication and all routine work must be addressed as well. While we will be busy, busy is good. It means that we are doing the things that make us Masons. Service to our community and service to our brothers. While we may eagerly look forward to the break from our labors over the summer we will just as eagerly look forward to resuming labor in fall.
