### Master's Message

Grand Lodge is fast approaching. Once a year we meet to decide the future course of the Fraternity in Wisconsin. It's the craft's chance to adjust the rules that govern us, and choose our leaders. But to me, it is also a chance to connect with our past. For around 170 years our brothers have met once a year, or more, for this same exact purpose. We connect with the past and shape the future. I for one, am looking forward to it!
