June 2016

Master's Message

We are now entering the most desired season in Wisconsin for most of us, summer. This month will be relatively simple compared to the last few. We will be having an FC Degree for Eric Hesbol on June 15th at 7:00. Please try to attend if possible. These are memorable events for our Brothers and your attendance is important. After that, we will be dark through the summer months of July and August. I would just like to wish each and every one of our Masonic families out there a safe, relaxing, and fun filled summer. I look forward to seeing you again in August.

Hello Brethren:

It's time to start thinking about the car show approaching. August will be here before you know it.

First off, I guess we need to know who is available to help this year with the car show. It will be August 28, 2016.

Please let me know as soon as possible if you are available to assist this year. We always have a great show and those that come are always impressed and that is only because those of you who help make it a great show.

Thanks
