

Wausau Trestleboard

Master's Message

April is here and spring is in the air. My son is now a month old, parenting is something you can never be prepared for believe me I have tried. Sleepless nights and countless diaper changes, makes me wonder why people have kids anyway. After time to relax I realized how blessed I am, my wife is amazing, my son is healthy and I have a great group of brothers for support and advice when I need it. When I became a mason about six years ago I had no idea what this journey would be like, where it would take me and the people I would meet. Because of Freemasonry I have grown so much since the man I was six years ago. I have met so many great people from all over the state of Wisconsin; I have experienced so many great things and learned many great things. I remember a few years ago when we presented some brothers of forest lodge with their 50 year pin. After seeing someone presented with such an honor I hope to make it to that milestone in my Masonic journey.

Chief

The Scottish Rite Valley of Eau Claire has long been an opportunity for Master Mason's to get further light in Masonry. Our "Reunion's" as we call them, is the time for Master Mason's to become 32nd Degree Mason's by experiencing firsthand, the further light of the 4th - 32nd Degrees. These degrees teach us the Core Values of Scottish Rite Masonry. Not only is this a great opportunity to get further light in Masonry, but an excellent opportunity to expand your Brotherhood throughout our state by meeting Brothers you wouldn't ordinarily have met. Our Reunions, much like the rest of Masonry have been put on hold recently. We are planning our fall reunion in October which consists of two Saturdays. The second Saturday concludes with a banquet to honor your class and accomplishments. We would invite you to complete a petition which can be done online. We would make arrangements for you to experience the 4th degree virtually and start your Scottish Rite journey on line. In October you will be invited to be a part of the fall class named after the MWPGM John Hein.

If you have any questions, please contact me directly or our First Lt Commander Joe Barlow for further information.

Kevin R Sorenson, Commander-In-Chief
